

freedom leisure Uckfield ~ under 8's admission policy

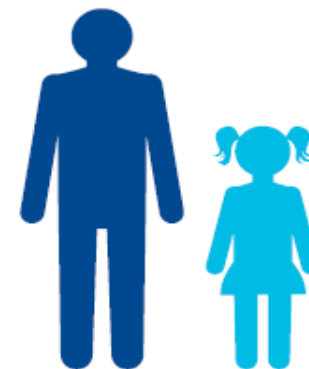

Adult supervision of children under 8 (but over 4), or including under 4 if swimming aids are used.

1:2

Adult supervision of children under 8 (but all over 4) if swimming aids are used.

1:3

Adult supervision of children under 4 or if child is in need of close supervision.

1:1

The safety of children in our swimming pools is our primary concern and these recommendations have been developed following CIMSPA guidelines and from the findings following our own process of risk assessment.

We expect adults who are supervising children in our pools to ensure they are in close contact with the child throughout their visit. This extends to changing rooms, toilets, poolside and the pools etc. We also expect adults to be aware of basic safety and not allow their children to run, climb on structures or railings and to accompany them closely at all times. Parents are the best placed to judge their own child's ability and should use our policy as a minimum standard. If a child has a special need or is not confident in water, then the minimum ratios we require should be set at 1:1 supervision at all times.
